

ABUCM certification is recognized by many hospital-administered Urgent Care networks, independent Urgent Care groups, Government-administered Urgent Care Centers, and various satellite Armed Forces-administered Urgent Care centers. Many third party payers are also cognizant of the vital role ABUCM physicians play in our healthcare system. Below is a list of facilities and organizations that accept and/or recognize ABUCM certification and/or have requested verification of the Board Certification in Urgent Care Medicine of our Diplomates:
